

Food for Thought

Famous Quotes:

“Remember not only to say the right thing in the right place, but far more difficult still to leave unsaid the wrong thing at the tempting moment.”
Benjamin Franklin

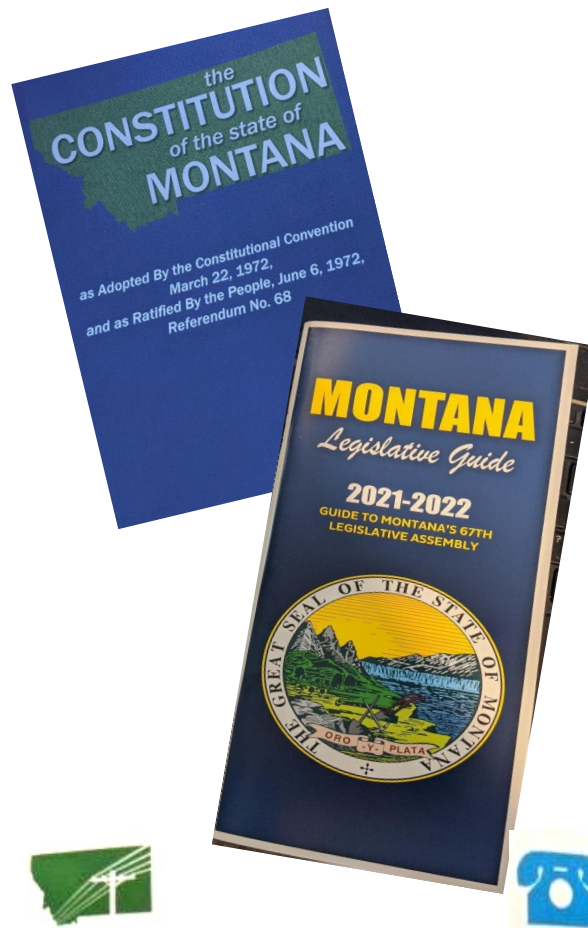

“The two enemies of the people are criminals and government, so let us tie the second down with the chains of the Constitution so the second will not become the legalized version of the first.”
Anonymous

“The democracy will cease to exist when you take away from those who are willing to work and give to those who would not.”
Thomas Jefferson

Recognition and Appreciation

A big “Thank You” to the following businesses for allowing customers to enjoy your place of business without a mask.

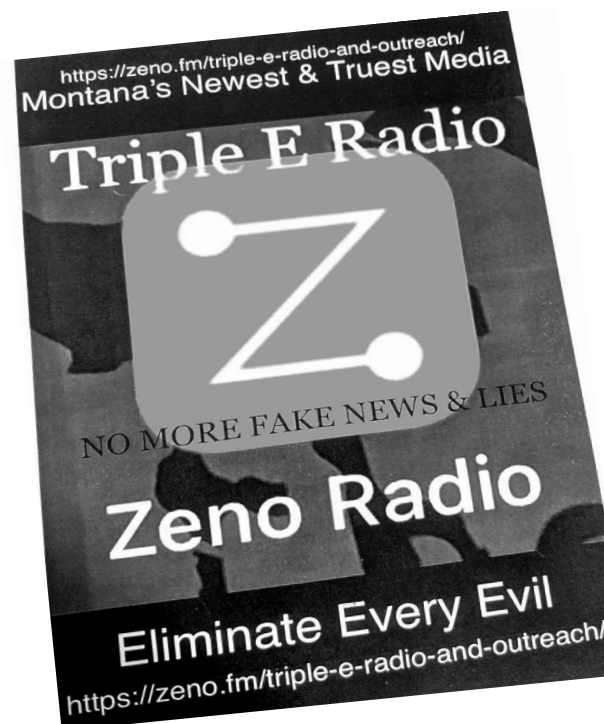

In each of our Monthly Newsletters
we will recognize businesses
that do not enforce mask wearing.

Darby businesses: Family Dollar,
Old West Antiques Gallery & Candy Store,
Mr. T's Mercantile, and many more.

THANK YOU!

Treat yourself to some REAL NEWS

Thank you Martin for your labor of love!

A note from a fellow Patriot and concerned Citizen:

God bless you and thank you for reading and sharing these monthly Newsletters. The information in these Newsletters is designed to be thought provoking, instilling a desire to do more research on what is happening in our country, and inspire **ACTION**.

We encourage you to do your own research and make decisions for yourself and your families accordingly. We are AMERICANS and we have a **CONSTITUTION** that is designed to keep **GOVERNMENT** in check. We have **GOD GIVEN RIGHTS** and the **CONSTITUTION** is designed to protect those **RIGHTS**. This **APRIL** edition of our Newsletter gives you more proof and evidence that wearing masks is harmful to you and is designed to silence you, dehumanize you, and bring you into submission.

It is also **VERY ALARMING** regarding the deaths that are occurring after receiving the Covid **JAB** (it is not a vaccination – but rather an experimental immune system killing, genetic changing **INJECTION**).

I will also do more research and put the ingredients for some of the injections in the next Newsletter. I have read some articles that gave some of the ingredients and it was shocking to say the least: Formaldehyde, Aluminum, Mercury (thimerosal – used as a preservative) YIKES! Those are all toxic.

As I was reading my Bible this morning, I read Proverbs chapter 1, and it reminded me that we need to use wisdom and heed it. I encourage you to get your Bible out and read Proverbs. We need its wisdom. In verse 20, it talks about how Wisdom cries aloud in the streets. Those who are simple – meaning unaware, and those who are fools and hate knowledge, will suffer the consequences. But those who listen to wisdom will reap the benefits of heeding the Words of God. We need God's wisdom and His guidance. Jesus Christ paved the way to God and gave us access to Him because of his death, resurrection, and ascension.

**We need to wake up to what is
happening and not go back to “sheep!”**

Again, thanks for reading and sharing this information.

God bless you and God bless the united States of America!

A merry heart does good like a medicine...
Proverbs 17:22a
So....
Do you know why smiling is so
Profitable?
... Because it increases your **FACE VALUE!**

MORE EVIDENCE OF HARM From wearing MASKS

CRITICAL THINKING:
Have you ever considered that there
may be a darker agenda behind this **Plannedemic?**
More proof that masks didn't work
and still don't work for stopping viruses.

Masks actually made people more prone to getting sick because
it lowered their immune system, prevented life giving oxygen
from getting to their organs, and caused them to breathe in
their own exhaust. Thus the numbers went way up of folks
getting sick AFTER mandating masks.

MORE EVIDENCE OF HARM from COVID-19 **Pfizer** and **Moderna** **VACCINATIONS**

**(It would be prudent to find out what,
exactly, is in these vaccinations)**

Dr. Sherri Tenpenny warns that there are several
ingredients that have never been used in vac-
cines before and these have not been tested on
animals, at least not for any significant amount
of time to see responses.

Ingredients such as **mRNA** – a messenger **RNA**
that breaks down your immune system along
with changing DNA, and damaging your lungs.
Another substance labeled a Trojan Horse...
hmmmm that doesn't sound good. Also a
substance called **Luciferase!** What???

Check out her website: www.Vaxxter.com

These are **EXPERIMENTAL JABS!**
