

WORDS OF WISDOM

From George Washington and Abraham Lincoln

**“LIBERTY when it begins to take root,
is a plant of RAPID GROWTH!”**
George Washington

**“Nations do not die from invasion;
they die from internal rottenness.”**
Abraham Lincoln

**“If freedom of speech is taken away,
then dumb and silent we may be led,
like sheep to the slaughter.”**
George Washington

**ONCE YOU ARE AWAKE, IT'S HARD
TO GO BACK TO SHEEP**

One Man Awake
by Helen Kromer

One man awake
Can waken another;
The second can waken
His next door brother.
The three awake
Can rouse a town,
By turning the whole
Place upside down.
The many awake
Can make such a fuss,
That it finally awakens
The rest of us!

One man up,
With dawn in his eyes,
Multiplies.

KNOW YOUR RIGHTS!

Amendment 1
- Freedom of Religion, Speech, and the Press
Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof, or abridging the freedom of speech or of the press, or the right of the people peaceably to assemble and to petition the government for a redress of grievances.

Amendment 2
- The Right to Bear Arms
A well-regulated Militia being necessary to the security of a free State, the right of the people to keep and bear Arms shall not be infringed.

THE DECLARATION OF INDEPENDENCE

1776 (A Portion quoted here)
WHEN in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature’s God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.
We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,—That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

Independence Constitution America Liberty Freedom

A merry heart does good like a medicine... *Proverbs 17:22a*

So....

When does a joke become a ‘dad’ joke?

When it becomes apparent.

The Pledge of Allegiance

The importance of saying it correctly.

The original Pledge had no comma between “One Nation” and “Under God” yet somehow it crept in and some wanted to remove the “Under God” part because of that comma.

When you say the Pledge of Allegiance do not pause at ONE NATION UNDER GOD.

It is one phrase meant to be said together.

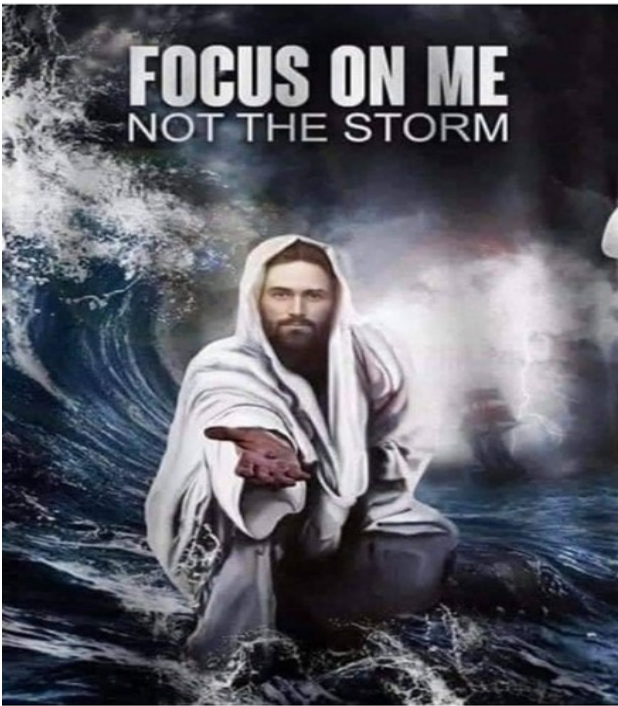

Section 4 of the Flag Code states:

The Pledge of Allegiance to the Flag: "I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.", should be rendered by standing at attention facing the flag with the right hand over the heart. When not in uniform men should remove any non-religious headdress with their right hand and hold it at the left shoulder, the hand being over the heart. Persons in uniform should remain silent, face the flag, and render the military salute."

GOD BLESS AMERICA!

John 16:33 *These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.*

EVIDENCE OF HARM From Wearing Masks

CHILDREN

The psychological effects of the masks on children is being manifested in the spike in suicides of young children and teens. I have friends in Oregon who told me that the hospital in her area was not filled with Covid patients but with suicidal teens.

No child should be muzzled. It is not normal. They need to breathe fresh air through their mouths and noses. No one should breathe in their own exhaust!

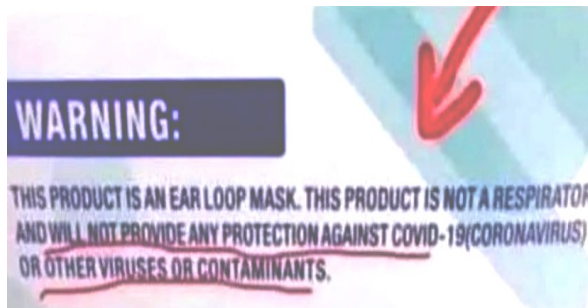

ADULTS

The bacteria growing inside the masks and inside the mouth and throat is causing a series of health issues including rotting gums and loosening teeth. It is causing lung and heart issues. The lack of oxygen is causing headaches and induces fear. The increase in Carbon Dioxide can also cause acidosis in the blood.

Mask wearing lowers your immune system. God designed us with an amazing immune system so why would you hinder its ability to work?

CRITICAL THINKING

Why are we compliant to something proven to be useless as protection for you or anyone else against any virus including the Covid 19 virus?

EVIDENCE OF HARM

from COVID-19

Pfizer and **Moderna** VACCINATIONS
(It would be prudent to find out what, exactly, is in these vaccinations)

Let's use CRITICAL THINKING

There are many videos and articles coming out to warn us of the terrible and sometimes fatal reactions from the vaccinations which are being pushed on our society as safe and effective.

From **The Truth about Vaccines:**

UK's Medicines & Healthcare Products Regulatory Agency, the MHRA.

"What's clear from the description in the contract award document is that:

The **MHRA** is expecting covid-19 vaccines to cause a surge of adverse events / side effects.

The **MHRA** is fully aware that these adverse events will harm and kill many patients. They specifically warn of, "a direct threat to patient life."

The **MHRA's** legacy systems are unable to handle the expected volume of incoming reports of covid-19 vaccine injuries, meaning the expected volume of such reports will be very large and unprecedented.

The **MHRA** recognizes the "extreme urgency" of putting a new system in place to identify the adverse reactions of covid-19 vaccines.

The **MHRA** states that if a new AI system is not urgently installed, it will be unable to identify many of the adverse reactions stemming from the covid-19 vaccine, and that this failure will negatively impact public health. (i.e. People will die.)"

THE EPOCH TIMES

TRUTH AND TRADITION

"Fifty-five people in the United States

have died after receiving a COVID-19 vaccine, according to reports submitted to a federal system.

Deaths have occurred among people receiving both the Moderna and the Pfizer-BioNTech vaccines, according to the reports."

I have personally watched videos of nurses who took the vaccine in good faith thinking they were safe and then begging those watching to NOT take the vaccine. One nurse in Tennessee got Bells Palsy after the vaccine (half of her face was paralyzed). The other nurse was shaking uncontrollably after taking the vaccine. I cried...

"California health officials are [calling for a pause](#) on the use of a huge batch of Moderna's [COVID vaccine](#) due to its "higher-than-usual number of possible [allergic reactions](#)." Greenmedinfo.com

CRITICAL THINKING:

Why would you take a potentially harmful vaccine for a virus that has a 95-99% survival rate? Why is there a "NO LIABILITY" clause so that the companies making the vaccine have no accountability if you have life changing reactions or die from the vaccine?
