Did you even know? Were you scared for your life? Did we wear masks, close the economy, cancel schools, and ruin small businesses? NO. WHY?

BECAUSE THE MEDIA DIDN'T TELL YOU TO BE AFRAID!!

A note from a fellow Patriot and concerned Citizen:

God bless you and thank you for reading and sharing these monthly Newsletters. The information in these Newsletters is designed to be thought provoking, instilling a desire to do more research on what is happening in our country, and inspire ACTION.

We encourage you to do your own research and make decisions for yourself and your families accordingly. Resources posted below.

We are AMERICANS and we have a CONSTITUTION that is designed to keep GOVERNMENT in check. We have GOD GIVEN RIGHTS and the CONSTITUTION is designed to protect those RIGHTS.

WE THE PEOPLE hold the power! Somehow we became complacent, and forgot that the government works for US! We vote them in and we can vote them out.

It's time to get involved. See Panel on Tactical Civics.

Ephesians 6:11,12

Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Again, thanks for reading and sharing this information with your loved ones. God bless you and God bless AMERICA!
